

2010 Administrator of the Year. . .

Mark Hannan, principal at Silverton High School, was selected as Administrator of the Year at the 2010 OBEA Fall Conference held at the Oregon Garden in Silverton, Oregon, on October 8.

Before beginning his career in education, Mark was a student at Silverton High School. His first teaching experience was at a local elementary school and then a counselor at a high school before returning to his alma mater as Assistant Principal of Curriculum. He was recently selected to serve as high school principal.

A business teacher writes, “He is not only supportive of the Business Education department, but also all other CTE departments in the school. His relationship with our CTE student leadership organizations comes in the form of monetary support for travel and competition. He has not only attended FBLA State Conferences, but has also traveled with our FFA contingent to their National Conference.”

Mark serves as the Perkins Program Administrator and is currently a member of the Mid-Willamette Education Consortium Executive Council. He has a strong community connection and is actively involved in a variety of organizations that benefit the school and the students. He is a member of Rotary, the school’s Alumni Association, and serves as President of the Mid-Willamette Valley League.

During the recent construction project at Silverton High School, Mark was instrumental in ensuring that all CTE departments were state-of-the-art for the benefit of the students. He worked diligently with instructors, committee members, and the architect firm to secure ample space, updated labs, quality equipment, and advanced technology in all areas.
